- | | | |
|------|---|-----------|
| NV | Mansong 'Classic' Huangjiu 【慢宋】 黄酒 90ml | 19 |
| | Rice/Wheat Shaoxing, China | |
| | <i>Huangjiu is a traditional Chinese rice wine known for its rich, mellow character and naturally golden colour. Made through the fermentation of grains. It is characterised by a warm golden appearance, mellow sweetness and subtle aromatic depth, making it suitable for both relaxed sipping and pairing with Chinese dishes.</i> | |
| 2023 | Château Bela by Egon Müller | 96 |
| | Riesling Sturovo, Slovakia | |
| | <i>Located close to the Danube River in Southern Slovakia near the Hungarian border. A surprisingly refined Riesling with limey flavours and texture are reminiscent of a classic Mosel that retains a mouth-watering, mineral crispness on the finish</i> | |
| 2024 | XiaoPu 'Tangerine' 橘 (Skin Contact) | 19.5 92 |
| | Field Blends Ningxia & Yunnan, China | |
| | <i>A white wine made with extended skin contact to add texture, tannin and deeper flavour. Tangerine here refers to style/characteristics (citrus-like, vibrant aromatics) rather than actual fruit being added.</i> | |
| 2025 | Serrat | 138 |
| | Shiraz/Viognier Yarra Valley, VIC | |
| | <i>Serrat: A Catalan word meaning high density planting. Serrat has 6,600 vines per hectare, producing less than one bottle of wine per vine. It has loads of black and darker red fruits and a violet fragrance and spicy note. The fruit intensity is remarkable coupled with the silkiest of tannins</i> | |
| 2021 | Xige Estate 'Jade Dove' Single Vineyard | 148 |
| | Cabernet Gernischt Ningxia, China | |
| | <i>Excellent depth on the nose. Aromas of graphite, wild blackberries, cassia & fresh herbs. Bright & juicy, with a full body & a fleshy, succulent fruit core. Tannins are surprisingly fine & soft, making it round & fruity with complexity & brightness</i> | |
